Please think very carefully about the lesson material and then, based upon what you learn from the lesson material, select the choice that **best answers** each question. If you change your mind about an answer, be certain to erase your original mark completely before you darken the circle for your new choice.

Once you answer all the questions for **Book 1**, return only this answer sheet for grading. If you have any questions about what you have studied, you may write them on the back of this page. Once we have graded it, if you scored **at least 70%** then we will answer any questions you might have, and send everything back to you along with your diploma.
